

Trumbull Conservation Commission Meeting
February 28, 2008
Town Hall

The meeting was called to order at 7:34 by John Russell. Also in attendance were Lars Jorgenson, Don Watson, and Julie Jenkins. J. Russell made a motion to accept the minutes from February 14, 2008, D. Watson seconded the motion, and they were approved.

There was discussion about the letter written by the Conservation Commission about the Shelton Road subdivision proposal before the Inland Wetlands Commission. The letter is to be submitted to the Inland Wetlands for its meeting on March 3, 2008. Several members of the Conservation Commission will be attending the Inland Wetlands meeting to support the letter. There was also discussion concerning the other applications before the Inland Wetlands Commission for their March 3 meeting.

J. Russell and D. Watson spoke about various seminars and workshops that members of the Conservation Commission may like to attend. There was also discussion about organizations which would be beneficial for members of the Conservation Commission to join.

We also discussed the mission of the Conservation Commission which should include topics such as inland wetlands, planning and zoning, flooding, tree preservation, and education.

J. Russell mentioned that the Bridgeport Aquaculture students would be starting to test the water quality of the Pequonock River.

The next meetings will be March 13 and 27 of 2008. The meeting was adjourned at 9:07 pm.
